Imperial champagne. Thom was may desofate the land, We'll cath our lears or crown our joys, With vintage rare and good, the little Then raise your goblets high, my boys The buly wine to drain. lating-when glory is the least-Imperial champagne.

We scorn the man who clouds his brain With ale or heavy wine, And pity him who has not drank The glory of the vine. Then raise your gobiets high, my boys ! The only wine to drain, Is this-when wisdom is the toant-

Imperial champagne.

In wouth and age, with this alone Our glasses will we fall, Twill make our joys more joyous yet, and bunish every ill. Then raise your goblets high, my boys! The only wine to drain. Is this when Bacohns is the toust-

imperial champagne. IF Here is a little flower, from the Louis ville Journal, whose perfume is the soul o aweetmess:

Will the friends I love be near me When I die? Will they shrink to touch the pallor Of the lips that turn to meet them,

Frembling with the last "Good-bye ?"

May my fither's arms enfold me When I die ? They will shield my heart from terror When I go to meet the shadows That beneath the flowers lie?

And my mother, aweetest, When I die, I would have thy voice to soothe me Till it mingled with the music

Of the sugets in the sky : Brothers, sisters, klas me often When Edie? And my tips with smile in closing As if clasped in dreams so golden

That I will not wake to sigh.

Ah, the world will soon forget me When I die, And its flowers will bloom as brightly And its birds will sing assweetly, Thou I loved them and 1 die. ----

IT The following sound and judicious par agraph is from one of Mr. Everett's contribu tions to the New York Ledger:

THE PRESS -The press of the United States turer, a traitor, a coward, and a knave; and officials. incalculably promoted."

A Man RESURRECTED .- The Franklin (La.) Sun has the following.

"A man who says his name is Ridens, arrived here a few days ago, from the Bayon Ma. the body was of prodigious dimensions, being son. He tells the following story on himself which would seem to need confirmation:

girl off, who wished to get married without the consent of her parents. They took a boat somewhere up the Mason, and some time afterwards the parents, with a pursuing party, overtook the boat and stopped her. A fight then ensued between the two parties for the girl, in which Ridens received two severe blows upon the head, one of which laid him. blows upon the head, one of which laid him as senseless as death. He was believed, in fact Chinese officers (hearly every one of rank in to be dead, and was, consequently, hurridly the neighborhood of Canton) to the deceased. buried. About two hours afterwards, two doc- and sorrow, real or feigned, found vent in more tors, who wanted his body, dug him up, and than one instance in tears. The utmost order than one instance in tears. The utmost order prevailed, and no objection was evinced to the prevailed, and no objection was evinced to the

A QUEEN DEMOCRAT .- The election of Gen Houston as Governor of Texas is claimed by the organs as a triumph of the so-called National Democracy. Runnels was the regular nominee of the Convention, as he was at the Resolved, That we are in favor of economical previous election, when he beat Houston some | Administration of the General Government, 10,000 cotes. Runnels' success then was a and do most unequivocally condemn the an victory; Honston's success now, is still a vic- precedented and reckless extravagance of the tory for the same party. The Chicago Times present Administration Nothings, and now, has defeated the regular demnation of the people.

Demogratic nominee! Singular claims to De Resolved, That we are opposed to the princi-

How does this kind of Democracy suit our neighbor of the Journal? He is one of the free Territory supients who claim Houston's election, as a Resolved, That Congress has so power to Democratic Victory ! 

REMARKABLE CASE OF RESUSTATION .- A MOD inst, has the following: Yesterday afternoon a boy, six years old,

Y Captral Railroad bridges at South Boston, into the water, and was supposed to have can Stave Labor, which we regard as the curse drowned. After the boy had been under the and bane of all free government surface of the water about twenty minutes, a Resolved, That we are oposed to the principle Mr. Ash. (We have not his christian name,) sue | or practice of public officers using or speculaceeded in bringing him to the shore, apparently lifeless. Coroner Fogg was called to view the body, which he did in the capacity of Cor onor, and considered an inquest unnecessary, but in less time than is occupied in recording the fact, set himself to work as a physician, lips, rosy cheeks, curly hair, blue eyes, and and stripping off his coat, went to work with black moustache, who is dying desperately in and stripping off his coal, went to work with a wal on the body of the boy, and after about two hours of hard muscular labor, he had the prancing gray horse with a long flowing tail,

A Good One—We accidentally heard of a good reply made by Gov. Willard to Judge Douglas, a few days ago at Washington. The idea of being President has taken full passes sious the Judge, and upon that subject is as crazy as Wise himself. Turning to Gov. William of this Coming Man.—Punch lard, while dining in company with other A Companison -Comets, doubtles, answer gentlemen, be asked the Governor shout his prospects in Indiana. The Slave Trade.

At the last session of Congress, Hon David Kilgore, of this State, asked for a suspension of the rules, to enable him to present a series of resolutions in regard to the slave trade, one of which read as follows:

Resolved, That the laws in force against said traffic are founded upon the broadest princi ples of philanthrophy, religiou and humanity; that they should remain unchanged, except so of all those painful and dangerous die ases to which far as legislation may be needed to render them the temale constitution is subject. It moderates all more efficient; and that they should be faith-fully and promptly executed by the govern-ment, and respected by all good citizens.

Now, we venture there is not a man in the State, if left to himself, uninfluenced by party on the monthy period with regularity. leaders, but what would say there can be no objection to permitting such a resolution to go before the House; and yet almost every Demo- ment stamp of Great Britain to prevent counterfeits. cratic member of the House voted against a suspension of the rules for that purpose! opposed to a repeal of the laws againt the slave other time they are safe. trade At one time they said they were for the Wilmot Proviso-and then against it-at one time against the repeal of the Missouri Compromise and then for it -at one time for permitting the people of Kansas to determine

Indianapolis Atlas Tragedy in Lebanon.

The Norwich (Ct.) Bulletin learns that Chas. Stark, of Lebanon, residing in a house in the woods about one mile from any other dwelling, murdered his wife sometime during Mon- authorized agent, will 'usure a bottle, containing 50 day night or Tuesday morning. He was dis pitts, by return mail. covered on Tuesday forenoon near his house, with the dead body of his wife on a hand cart. R. Cuningham, Terre-Haute. She was shockingly mangled, having two wounds upon her neck, either of which would have caused her death; one in her left breast five inches long; and one through the arm, near and below the elbow. Stark was immediately secured. The Bulletin says:

At the time of his arrest he was under the influence of delirium tremens, and while thus affected probably murdered his wife. He told his captors that he was going to take his wife to a place of safety; that four hundred Indians had been prowling around the house the day wa otess ), a otess, a praose, in o.r. otess. before; and that he was afraid they would kill himself and wife; and that, as a matter of safety, they were going to leave the house. Stark was told that his wife was dead al ready, but he denied it, and said he was going Northeast Cor. Walnut and Columbia Streets, from the Indians. He was told to touch the body, and see that she was dead. He did so, and admitted the fact. Stark was brought before Justice Philo Washburne yesterday morning for examination, and committed to jail in this city. His trial will take place before the Dext term of the Superior Court. He was more Boots & Shoos. rational yesterday than when arrested, but told the same story of his fears of the Indians

TERRE HAUTE. July 23, '59-dwly Fever and Ague. com which mankind suffer over a large part of the

globe, is the consequence of a diseased action the system, induced by the potsonous missin vegetable steray. This exhalation is evolved by the action of solar heat on wetsoil, and rises with the action of solar heat the second is below the watery vapor from it. While the sun is below the borizon this vapor lingers near the earth's surface, and the virus is taken with it through the lungs but the blood. There'll acts as un irritating lungs but the blood. There'll acts as un irritating axXES, poison on the internal viscora and excreting organs of the body. The liver becomes torpid and fails to secrete not only this virus, but also the bile from the blood. Both the virus and the bile accumulate in he dernal excretories to force them to cast it out. The blood leaves the surface, and rushes to the contralorgans with congestive violence. This is the CHILL. But in this effort it fails. Then the Faves follows, in which the blood leaves the cen ral organs and rushes to the surface, as if the another effect to expel the irritating policia through that other great excretory—the skin. In this glad t fails, and the system shandens the attempt exepeal the hopeless effort mother day. These are tional disorder will of course undermine

We have labored to find, and have found, an an- In this department we will enumerate the Ayer's Ague Cure,

blond, and stimulates the liver to expel it from the body. As Atshould, ault does cure this afflicting or rather flore what is of more service to those subject to this infection. Iffinken in session it expels it from the system as it is absorbed, and thus keeps those who use it free from its attacks; keeps the system in health although exposed to the discuss. Consequently it not only cures, but protects from, the great variety of affections which are induced by this malignant influence, such as Kemittent Fever Chul Fever, Pumb, or Masked Agos, Periodical Hendache, or Billious Hendache, Billions Fevers, Neuralgia, Rhenmatien, Gont, Bitndness, bothache, Eurache, Catarrh, Asthona, Palpitations, IT Remember 142 Main street but 5th & 6th Painful Affections of the Splean, Hysterics, Colle, and Howels, all of which, when arriving from this cause will be found to assume more or less the inermittent type. This "Auta Crax" removes the ause of these d rangements, and cures the disease. This it accomplishes by stimulating the excretories to expel the virtus from the system; and those term acclimation. Time may accomplish the same end, but often life is not long enough, or is sacrifibeen discovered; and it has still another important well as guod.
